Subject: Resigning Letter

Dear Sir

I would like to inform you that I am resigning from my position as PHP Developer for my personal problems. As I have an agreement to work till **December 2022**. I've got an opportunity to work in **Japan**. My working procedure will be started on **20 June 2022**. I'll love to stay here to finish my running task and hand over my previous tasks until this date.

Thank you for the support and the opportunities that you have provided me during the last year. I have truly enjoyed my tenure with Bdtask Limited, and am more than grateful for the encouragement you have given me in pursuing my professional and personal growth objectives.

If I can be of any assistance during this transition in order to facilitate the seamless passing of my responsibilities to my successor, please let me know. I would be glad to help however I can. Work in abroad is my childhood dream. Hope you will be glad to help me to fulfill my dream.

Sincerely,

Md Harunur Rashid
